Notice to Current Customers, Neighboring Systems, and Cities
UNDINE TEXAS, LLC, CERTIFICATE OF CONVENIENCE AND NECESSITY (CCN) NO. 18260, NOTICE OF INTENT TO PURCHASE A PORTION OF NERRO SUPPLY, LLC'S WATER CCN NO. 12552 IN BRIDGES, BURLINSON, CHAMBERS, MONTGOMERY, ROBERTSON, AND WALKER COUNTIES AND TO DECEMBERIFY A PORTION OF DEANVILLE WSC'S CCN NO. 10177 IN BURLINSON COUNTY

Undine Texas, LLC, 17681 Edge Rd, Cypress, Texas 77429 has submitted an application with the Public Utility Commission of Texas (Commission) to purchase and transfer a portion of water certificated service area under CCN No. 12552 in Bridges, Burlinson, Chambers, Montgomery, Robertson, and Walker Counties, TX from Nerro Supply, LLC, PO Box 691008, Houston, Texas 77269

Additionally, Undine Texas, LLC is decertifying a portion of Deanville WSC's CCN No. 10177 and incorporating uncertificated water service area into its CCN boundaries.

The sale is scheduled to take place as approved by the Commission (V.T.C.A., Water Code § 13.301). The transaction and the transfer of the CCN includes the following subdivisions: Alliance, Amiche Hills, Baywood, Bendley Oaks, Hillcrest, Lakeside N Marshall Oaks, Lakewood Estates, Little Oak Forest, Lock New Cove, Low Lakes, Oaks at Hamilton Point, Oak Forest Lakeside, River Club, Sunset Forest, Somerville Place, Wilderness Woods, Wildwood Shores, Sun Lakeside Forest, and Woodhaven Estates Subdivisions.

Alhambra Water System
The requested area is located approximately 6 miles east-northeast of downtown Shreveport, Texas, and is generally bounded on the north by SH 242; on the east by Big Buck Pond; on the south by Greenbough Street and on the west by FM 1314. The requested area includes approximately 89 total acres and 50 current customers.

Anacle Hills
The requested area is located approximately 3 miles west-southwest of downtown Somerville, Texas, and is generally bounded on the north by CR 460; on the east by Lakewood Drive; on the south by Somerville Lake; and on the west by Vagan Creek. The requested area includes approximately 92 total acres and 67 current customers.

Bendley Oaks Subdivision & Lakewood Estates
The requested area is located approximately 6 miles northwest of downtown Bryan, Texas, and is generally bounded on the north by SH OSR, Rockford Drive on the east by Kead Drive; on the south by Mansfield Road, and on the west by SH OSR. The requested area includes approximately 244 total acres and 241 current customers.

Hillcrest Subdivision Water Co.
The requested area is located approximately 4 miles northeast of downtown Canyon, Texas, and is generally bounded on the north by a line approx. 1000' north of Hillcrest Drive; on the east by Jeffcoat Road, on the south by a line approx. 600' south of Hillcrest Drive; and on the west by West Fork Crystal Creek. The requested area includes approximately 59 total acres and 46 current customers.

Lakewood N Marshall Oaks & Somerville Place
The requested area is located approximately 4 miles west of downtown Somerville, Texas, and is generally bounded on the north by Big Creek; on the east by Recreational Road 4; on the south by CR 416; and on the west by Arroyo Drive. The requested area includes approximately 538' total acres and 230 current customers. *277 acres already certificated, 262 acres to be newly certificated.

Little Oak Forest Subdivision
The requested area is located approximately 8 miles west of downtown Somerville, Texas, and is generally bounded on the north by Birch Creek; on the east by Birch Creek; on the west by Gehel Lane; and on the west by Park Road 57. The requested area includes approximately 205 total acres and 36 current customers.

Lock New Cove Subdivision Water System
The requested area is located approximately 7 miles northwest of downtown Willis, Texas, and is generally bounded on the north by Lake Paula Drive; on the east by Lake Course and Lake Paula; on the south by Coulter; and on the west by Lake Course. The requested area includes approximately 66' total acres and 80 current customers. *46 acres already certificated, 20 acres to be newly certificated.

Low Lakes
The requested area is located approximately 2 miles southeast of downtown Old River Wadon, Texas, and is generally bounded on the north by Old River; on the east by Old River; on the south by River Oaks Drive; and on the west by FM 563. The requested area includes approximately 49 total acres and 47 current customers.

Oaks at Hamilton Point & Bayvilles Water System
The requested area is located approximately 6 miles southwest of downtown Baytown, Texas, and is generally bounded on the north by 7th City Beach Road, on the east by Jordan Drive; on the south by Trinity Bay; and on the west by Cedar Point Road. The requested area includes approximately 143 total acres and 116 current customers.

Oak Forest Lakeway Manor
The requested area is located approximately 10 miles northwest of downtown Bryan, Texas, and is generally bounded on the north by Noble Lane; on the east by Arroyo Drive; on the south by Lakeway Drive; and on the west by US 190. The requested area includes approximately 86 total acres and 49 current customers.

River Club Water
The requested area is located approximately 4 miles north of downtown Houston, Texas, and is generally bounded on the north by a line approx. 170' north of Russell Drive; on the east by Sellers McElaine Road; on the south by a line approx. 400' south of Lake Drive; and on the west by West Fork, San Jacinto River. The requested area includes approximately 153 total acres and 75 current customers.

Seminole Forest
The requested area is located approximately 6 miles west of downtown Bryan, Texas, and is generally bounded on the north by Sematone Road, on the east by Sematone Road, on the south by Hunt Drive; and on the west by Liza Lane. The requested area includes approximately 70 total acres and 50 current customers.

Wilderness Woods
The requested area is located approximately 7 miles southwest of downtown Somerville, Texas, and is generally bounded on the north by CR 410; on the east by CR 410; on the south by FM 69; and on the west by CR 405. The requested area includes approximately 189' total acres and 15 current customers. *85 acres to be newly certificated, 98 acres to be newly certificated (including 31 acres previously certificated to Deanville WSC), 106 total acres to ultimately be certificated to Undine Texas LLC.

Wildwood Shores
The requested area is located approximately 8 miles west of downtown New Waverly, Texas, and is generally bounded on the north by Pipkins Road; on the east by Forest Service Road 222; on the south by Lake Course; and on the west by Lake Course. The requested area includes approximately 178 total acres and 173 current customers.

Woodhaven Estates
The requested area is located approximately 5 miles west of downtown Course, Texas, and is generally bounded on the north by Woodhaven, on the east by Elizabeth Ridge; on the south by FM 2854; and on the west by Old TX 105 West. The requested area includes approximately 44' total acres and 56 current customers. *25 acres already certificated, 19 acres to be newly certificated.

A copy of the map showing the affected area is available at: 17681 Teles Rd, Canyon, Texas 77429

This transaction will have the following effect on the current customers' rates and service: All of the customers will be charged the same rates they were charged before the transaction.

Persons who wish to intervene in the proceeding or comment upon action sought should contact the Public Utility Commission, P.O. Box 11326, Austin, Texas 78711-3326, or call the Public Utility Commission at (512) 936-7128 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the commission at (512) 936-7136. The deadline for intervention in the proceeding is 30 days from the mailing or publication of notice, whichever occurs later, unless otherwise provided by the including officer. You must send a letter requesting intervention to the commission which is received by that date.

If a valid public hearing is requested, the Commission will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and no decision is reached within 60 days from the date that notice was provided by the Utility, SOAH will hold a hearing on the application to the Commission for the final decision. An evidentiary hearing is a legal proceeding similar to a civil trial in state district court.

A landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the requested area, may file a written request with the Commission to be excluded from the requested area ("opt-out") within 30 days from the date that notice was provided by the Utility. All opt-out requests must include a large scale map and a series and detailed description of the landowner's tract of land.

Persons who wish to request this option should file the required documents with the: Public Utility Commission of Texas, Central Records, 1701 N. Congress, P. O. Box 13326, Austin, TX 78711-3326

In addition, the landowner must also send a copy of the opt-out request to the Utility. Staff may request additional information regarding your request. So deca informacion en español, póngase en contacto al 1-888-782-8477

NOTICE

Draft Environmental Assessment Available for Public Review and Public Hearing

Thursday, June 6, 2019 - North Zulich High School Open House: 4:30 PM Public Hearing: 6:00 PM SH 21 West Madison County Widening Project

The Texas Department of Transportation (TxDOT), as the lead agency, is proposing to improve State Highway (SH) 21 from 2.01 miles west of Farm-to-Market Road (FM) 2865 to Marvin Luther King Jr. Street in Madineville, Madison County, Texas. This notice advises the public that a draft Environmental Assessment (EA) is available for public review and that TxDOT will be conducting a public hearing on the proposed project. The hearing will be held on Thursday, June 6, 2019, at the North Zulich High School Cafeteria located at 11390 SH 50 Street, North Zulich, Texas 77872. The hearing will begin with an open house showing project displays at 4:30 p.m., followed by a presentation and formal comment period beginning at 6:00 p.m. The purpose of the hearing is to present the planned improvements and to receive public comment on the proposed project.

The existing SH 21 consists of a two-lane undivided roadway with 12-foot wide travel lanes and 10-foot wide shoulders. The existing right-of-way (ROW) varies from 100 feet east to 408 feet wide near the Navasota River.

The proposed 17.8-mile project would widen the current two-lane roadway to a four-lane divided roadway and construct a 3.2-mile long relief route on new location south of the community of North Zulich. Existing SH 21 through North Zulich would not be widened. The proposed roadway would consist of two 12-foot wide travel lanes in each direction with a typical 68-foot wide grass median. Proposed shoulders would consist of a 4-foot wide inside shoulder and a 10-foot wide outside shoulder. Two grade-separated overpasses are proposed at FM 38/Burlington Northern Santa Fe railway and at County Road 419 (Zulich Road). The proposed ROW width would typically increase by 144 feet for a typical total width of 244 feet. Proposed new shoulders would accommodate bicycle and pedestrian activity.

The proposed project would require approximately 384 acres of additional ROW and would potentially displace five occupied residences, five abandoned residential structures, and nine sheds/out structures. Information about the TxDOT Relocation Assistance Program, benefits and services for displaced, as well as information about the tentative schedules for ROW acquisition and construction can be obtained from the TxDOT district office at the address listed below. Relocation assistance is available for displaced persons and businesses.

Portions of the proposed project are situated within the floodplains of the Navasota River, Coon Branch, and Conroy Creek. Waters of the U.S., including wetlands, would be impacted by the project. As a result, the facility would require coverage of a 100-year flood and would not increase the base flood elevation to a level that would violate applicable floodplain regulations and ordinances. The placement of temporary or permanent fill material into such jurisdictional water of the U.S. is anticipated to be authorized under a U.S. Army Corps of Engineers Section 404 Nationwide Permit 14, with preconstruction notification.

The draft EA, maps showing the project location and design, tentative construction schedules, and other information regarding the project are on file and available for inspection Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m. at the TxDOT Bryan District Office, 2501 North Earl Rudder Freeway, Bryan, Texas, (879) 778-2165, and are available by visiting www.tdot.gov and search: SH 21 West Madison County Widening. This information also will be available for inspection at the hearing. Verbal and written comments from the public regarding the project are requested and may be presented at the hearing, or submitted in person or by mail to the TxDOT Bryan District Office. Comments must be received on or before June 21, 2019, to be part of the official hearing record.

The hearing will be conducted in English. Persons interested in attending the hearing who have special communication or accommodation needs, are encouraged to call (879) 778-2165. Requests should be made at least two days prior to the hearing. Every reasonable effort will be made to accommodate these needs.

If you have any general questions or comments regarding the proposed project or the hearing, please contact Mr. Mark Poage, P.E. at (879) 778-2165, or you can submit your comments by email to Mark.Poage@tdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.

Troubles increase for Kohl's and J.C. Penney's

BY ANNE D'INNOCEZZO
AP Retail Writer

NEW YORK — The outlook for department stores got murkier Tuesday after J.C. Penney and Kohl's reported fiscal first quarter results that showed they struggled at the start of the year.

Penney, which has been trying to turn around its business for several years after a disastrous reinvention plan, reported a wider than expected loss and sales declines during the quarter. Kohl's sales momentum took a pause during the quarter as well, and it cut its fiscal 2020 profit outlook as it struggled with slumping sales. It cited damp weather that cut into sales

of spring clothing and a competitive environment in discounted home goods.

The downbeat reports from the mid-priced department stores, announced Tuesday, were in contrast to Macy's performance, reported last week. Macy's first-quarter profit smashed Wall Street estimates. Macy's also put up its sixth consecutive quarter of increases in comparable store sales — or sales in stores open a year — fueled by its robust online business after a three-year sales slump.

Department stores have been trying to reinvent themselves as more shoppers go online. They've also been hurt by increasing competition from the likes of TJ. Maxx and other off-price stores, which of-

fer coveted brands at cheaper prices. TJ. Maxx's parent reported on Tuesday strong results that topped Wall Street estimates, indicating that shoppers continue to be drawn to its treasure hunt experience.

To lure customers, department stores have been doing a variety of things like offering exclusive merchandise and adding online services. Last month, Kohl's said it was expanding its partnership with Amazon, with plans to accept Amazon returns in all of its 1,150 stores starting in July. Kohl's also announced Tuesday it's launching an exclusive collection with designer Jason Wu as a way to get younger shoppers in their stores. But apparently, those efforts haven't yet translated into

higher sales.

Moreover, department stores are facing the threat of escalating trade wars with China that could mean higher prices on clothing and other goods.

Retailers had been left largely unscathed by the first several rounds of tariffs since they focused more on industrial and agricultural products. But products like furniture saw an increase in tariffs to 25% two weeks ago.

And now the administration is preparing to extend the 25% tariffs to practically all Chinese imports not already hit with levies including toys, shirts, household goods and sneakers, which furnish department stores.

Notice to Current Customers, Neighboring Systems, and Cities

Docket No. 49380

UNDINE TEXAS, LLC, CERTIFICATE OF CONVENIENCE AND NECESSITY (CCN) NO. 13260, NOTICE OF INTENT TO PURCHASE A PORTION OF NERRO SUPPLY, LLC'S WATER CCN NO. 12252 IN BRAZOS, BURLESON, CHAMBERS, MONTGOMERY, ROBERTSON, AND WALKER COUNTIES AND TO DECERTIFY A PORTION OF DEANVILLE WSC'S CCN NO. 10177 IN BURLESON COUNTY

| | | | |
|---|------------------------------|-----------------------------------|---------------------|
| Undine Texas, LLC (Purchaser's Name) | 17681 Telge Rd. (Address) | Cypress, Texas (City), (State) | 77429 (Zip Code) |
|---|------------------------------|-----------------------------------|---------------------|

has submitted an application with the Public Utility Commission of Texas (Commission) to purchase and transfer a portion of water certificated service area under CCN No. 12252, in Brazos, Burleson, Chambers, Montgomery, Robertson, and Walker Counties, TX from:

| | | | |
|--------------------------------------|----------------------------|-----------------------------------|---------------------|
| Nerro Supply, LLC (Seller's Name) | PO Box 691008 (Address) | Houston, Texas (City), (State) | 77269 (Zip Code) |
|--------------------------------------|----------------------------|-----------------------------------|---------------------|

Additionally, Undine Texas, LLC is decertifying a portion of Deanville WSC's CCN No. 10177 and incorporating uncertificated water service area into its CCN boundaries.

The sale is scheduled to take place as approved by the Commission (V.T.C.A., Water Code § 13.301). The transaction and the transfer of the CCN includes the following subdivisions: Allendale, Apache Hills, Bayridge, Benchley Oaks, Hillgreen, Lakeview N. Marshall Oaks, Lakewood Estates, Little Oak Forest, Loch Ness Cove, Lost Lakes, Oaks at Houston Point, Oak Forest Lakeway, River Club Smetana Forest, Somerville Place, Whispering Woods, Wildwood Shores/Sam Houston Forest, and Woodhaven Estates Subdivisions

Allendale Water System

The requested area is located approximately 6 miles east-northeast of downtown Shenandoah, Texas, and is generally bounded on the north by SH 242; on the east by Big Buck Pond; on the south by Greenbough Street; and on the west by FM 1314. The requested area includes approximately 89 total acres and 50 current customers.

Apache Hills

The requested area is located approximately 3 miles west-northwest of downtown Somerville, Texas, and is generally bounded on the north by CR 460; on the east by Lakeview Drive; on the south by Somerville Lake; and on the west by Yegua Creek. The requested area includes approximately 92 total acres and 67 current customers.

Benchley Oaks Subdivision & Lakewood Estates

The requested area is located approximately 6 miles northwest of downtown Bryan, Texas, and is generally bounded on the north by SH OSR & Redbud Drive; on the east by Redbud Drive; on the south by Mumford Road; and on the west by SH OSR. The requested area includes approximately 244 total acres and 241 current customers.

Hillgreen Subdivision Water Co.

The requested area is located approximately 4 miles northeast of downtown Conroe, Texas, and is generally bounded on the north by a line approx. 1000' north of Hillgreen Drive; on the east by Jifficate Road; on the south by a line approx. 600' south of Hillgreen Drive; and on the west by West Fork Crystal Creek. The requested area includes approximately 59 total acres and 46 current customers.

Lakeview N. Marshall Oaks & Somerville Place

The requested area is located approximately 4 miles west of downtown Somerville, Texas, and is generally bounded on the north by Big Creek; on the east by Recreational Road 4; on the south by CR 416; and on the west by Lakeview Drive. The requested area includes approximately 539 total acres and 220 current customers. *277 acres already certificated, 262 acres to be newly certificated

Little Oak Forest Subdivision

The requested area is located approximately 8 miles west of downtown Somerville, Texas, and is generally bounded on the north by Birch Creek; on the east by Birch Creek; on the south by Giebel Lane; and on the west by Park Road 57. The requested area includes approximately 203 total acres and 36 current customers.

Loch Ness Cove Subdivision Water System

The requested area is located approximately 7 miles northwest of downtown Willis, Texas, and is generally bounded on the north by Lake Paula Drive; on the east by Lake Conroe and Lake Paula; on the south by Coughatta; and on the west by Lake Conroe. The requested area includes approximately 66 total acres and 80 current customers. *46 acres already certificated, 20 acres to be newly certificated

Lost Lakes

The requested area is located approximately 2 miles southeast of downtown Old River Winfree, Texas, and is generally bounded on the north by Old River; on the east by Old River; on the south by River Oaks Drive; and on the west by EM 565. The requested area includes approximately 49 total acres and 47 current customers.

Oaks at Houston Point & Bayridge Water System

The requested area is located approximately 6 miles southwest of downtown Baytown, Texas, and is generally bounded on the north by Tri City Beach Road; on the east by Jordan Drive; on the south by Trinity Bay; and on the west by Cedar Point Road. The requested area includes approximately 143 total acres and 116 current customers.

Oak Forest Lakeway Manor

The requested area is located approximately 10 miles northwest of downtown Bryan, Texas, and is generally bounded on the north by Noble Oaks Lane; on the east by Anyway Drive; on the south by Lakeway Drive; and on the west by US 190. The requested area includes approximately 86 total acres and 49 current customers.

River Club Water

The requested area is located approximately 4 miles north of downtown Humble, Texas, and is generally bounded on the north by a line approx. 170' north of Russell Drive; on the east by Sorters McLellan Road; on the south by a line approx. 400' south of Lake Drive; and on the west by West Fork San Jacinto River. The requested area includes approximately 153 total acres and 75 current customers.

Smetana Forest

The requested area is located approximately 6 miles west of downtown Bryan, Texas, and is generally bounded on the north by Smetana Road; on the east by Smetana Road; on the south by Nonie Drive; and on the west by Luza Lane. The requested area includes approximately 70 total acres and 50 current customers.

Whispering Woods

The requested area is located approximately 7 miles northwest of downtown Somerville, Texas, and is generally bounded on the north by CR 410; on the east by CR 410; on the south by FM 60; and on the west by CR 405. The requested area includes approximately 190 total acres and 15 current customers. *85 acres to be decertified, 98 acres to be newly certificated (including 31 acres previously certificated to Deanville WSC), 106 total acres to ultimately be certificated to Undine Texas LLC.

Wildwood Shores

The requested area is located approximately 8 miles west of downtown New Waverly, Texas, and is generally bounded on the north by Pipken Road; on the east by Forest Service Road 222; on the south by Lake Conroe; and on the west by Lake Conroe. The requested area includes approximately 276 total acres and 173 current customers.

Woodhaven Estates

(Purchaser's Name) (Address) (City), (State) (Zip Code)

has submitted an application with the Public Utility Commission of Texas (Commission) to purchase and transfer a portion of water certificated service area under CCN No. 12252, in Brazos, Burleson, Chambers, Montgomery, Robertson, and Walker Counties, TX from:

Negro Supply, LLC PO Box 691008 Houston, Texas 77269
(Seller's Name) (Address) (City), (State) (Zip Code)

Additionally, Undine Texas, LLC is decertifying a portion of Deanville WSC's CCN No. 10177 and incorporating uncertificated water service area into its CCN boundaries.

The requested area includes approximately 70 total acres and 50 current customers.

Whispering Woods

The requested area is located approximately 7 miles northwest of downtown Somerville, Texas, and is generally bounded on the north by CR 410; on the east by CR 410; on the south by FM 60; and on the west by CR 405. The requested area includes approximately 190* total acres and 15 current customers. *85 acres to be decertified, 98 acres to be newly certificated (including 31 acres previously certificated to Deanville WSC), 106 total acres to ultimately be certificated to Undine Texas LLC.

Wildwood Shores

The requested area is located approximately 8 miles west of downtown New Waverly, Texas, and is generally bounded on the north by Pipken Road; on the east by Forest Service Road 222; on the south by Lake Conroe; and on the west by Lake Conroe. The requested area includes approximately 276 total acres and 173 current customers.

Woodhaven Estates

The requested area is located approximately 5 miles west of downtown Conroe, Texas, and is generally bounded on the north by Woodhaven; on the east by Elizabeth Ridge; on the south by FM 2854; and on the west by Old TX 105 West. The requested area includes approximately 44* total acres and 56 current customers. *25 acres already certificated, 19 acres to be newly certificated

A copy of the map showing the affected area is available at: 17681 Telge Rd, Cypress, Texas 77429

This transaction will have the following effect on the current customers' rates and services:
All of the customers will be charged the same rates they were charged before the transaction.

Persons who wish to intervene in the proceeding or comment upon action sought should contact the Public Utility Commission, P.O. Box 13326, Austin, Texas 78711-3326, or call the Public Utility Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the commission at (512) 936-7136. The deadline for intervention in the proceeding is (30 days from the mailing or publication of notice, whichever occurs later, unless otherwise provided by the presiding officer). You must send a letter requesting intervention to the commission which is received by that date.

If a valid public hearing is requested, the Commission will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. An evidentiary hearing is a legal proceeding similar to a civil trial in state district court.

A landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the requested area, may file a written request with the Commission to be excluded from the requested area ("opt out") within (30) days from the date that notice was provided by the Utility. All opt out requests must include a large scale map and a metes and bounds description of the landowner's tract of land.

Persons who wish to request this option should file the required documents with the:
Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

In addition, the landowner must also send a copy of the opt out request to the Utility. Staff may request additional information regarding your request.

Disaster aid bill in House again blocked by Republican

WASHINGTON (AP)—A second conservative Republican in as many House sessions blocked a long-overdue \$19 billion disaster aid bill Tuesday that's a top priority for some of President Donald Trump's most loyal allies on Capitol Hill.

Rep. Thomas Massie, of Kentucky said that if Democratic leaders like Speaker Nancy Pelosi thought the measure was so important, they should have kept the House in session in Washington late last week to state an up-or-down roll call vote.

"If the speaker of this House thought that this was must-pass legislation the

speaker should have called a vote on this bill before sending every member of Congress on recess for 10 days," Massie said as he blocked the measure.

Massie's move turned swift rebukes from top Democrats. Sanford Bishop of Georgia said his agricultural district was but one part of the country suffering from hurricane damage and that aid won't arrive until well after the start of planting season. "Many will not be able to plant this year," Bishop said. Hurricane Michael struck Georgia in the middle of last fall's harvest season.

High Court signals more openness to abortion rules

WASHINGTON (AP)—The Supreme Court signaled Tuesday it is more open to state restrictions on abortion, upholding an Indiana law supported by abortion opponents that regulates the disposal of fetal remains.

At the same time, the justices declined to take on an issue closer to the core of abortion rights, rejecting the state's appeal of a ban on abortion based on gender, race or disability.

Alabama Gov. Kay Ivey this month signed a law that would ban virtually all abortions, even in cases of incest and

rape, and subject doctors who perform them to criminal prosecution. That law has yet to take effect and is being challenged in court. Other states have passed laws that would outlaw abortion once a fetal heartbeat has been detected, typically around six weeks of gestation.

The high court is expected to hear at least one abortion-related case in its term that begins in October and ends in June 2020.

In February, the justices blocked a Louisiana law that regulates abortion clinics, pending a full review.

A copy of the map showing the affected area is available at: 17681 Telge Rd, Cypress, Texas 77429

This transaction will have the following effect on the current customers' rates and services:
All of the customers will be charged the same rates they were charged before the transaction.

Persons who wish to intervene in the proceeding or comment upon action sought should contact the Public Utility Commission, P.O. Box 13326, Austin, Texas 78711-3326, or call the Public Utility Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the commission at (512) 936-7136. The deadline for intervention in the proceeding is (30 days from the mailing or publication of notice, whichever occurs later, unless otherwise provided by the presiding officer). You must send a letter requesting intervention to the commission which is received by that date.

If a valid public hearing is requested, the Commission will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. An evidentiary hearing is a legal proceeding similar to a civil trial in state district court.

A landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the requested area, may file a written request with the Commission to be excluded from the requested area ("opt out") within (30) days from the date that notice was provided by the Utility. All opt out requests must include a large scale map and a metes and bounds description of the landowner's tract of land.

Persons who wish to request this option should file the required documents with the:
Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

In addition, the landowner must also send a copy of the opt out request to the Utility. Staff may request additional information regarding your request.

The requested area includes approximately 190* total acres and 15 current customers. *85 acres to be decertified, 98 acres to be newly certificated (including 31 acres previously certificated to Deanville WSC), 106 total acres to ultimately be certificated to Undine Texas LLC.

Wildwood Shores

The requested area is located approximately 8 miles west of downtown New Waverly, Texas, and is generally bounded on the north by Pipken Road; on the east by Forest Service Road 222; on the south by Lake Conroe; and on the west by Lake Conroe. The requested area includes approximately 276 total acres and 173 current customers.

Woodhaven Estates

The requested area is located approximately 5 miles west of downtown Conroe, Texas, and is generally bounded on the north by Woodhaven; on the east by Elizabeth Ridge; on the south by FM 2854; and on the west by Old TX 105 West. The requested area includes approximately 44* total acres and 56 current customers. *25 acres already certificated, 19 acres to be newly certificated

A copy of the map showing the affected area is available at: 17681 Telge Rd, Cypress, Texas 77429

This transaction will have the following effect on the current customers' rates and services:
All of the customers will be charged the same rates they were charged before the transaction.

Persons who wish to intervene in the proceeding or comment upon action sought should contact the Public Utility Commission, P.O. Box 13326, Austin, Texas 78711-3326, or call the Public Utility Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the commission at (512) 936-7136. The deadline for intervention in the proceeding is (30 days from the mailing or publication of notice, whichever occurs later, unless otherwise provided by the presiding officer). You must send a letter requesting intervention to the commission which is received by that date.

If a valid public hearing is requested, the Commission will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. An evidentiary hearing is a legal proceeding similar to a civil trial in state district court.

A landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the requested area, may file a written request with the Commission to be excluded from the requested area ("opt out") within (30) days from the date that notice was provided by the Utility. All opt out requests must include a large-scale map and a metes and bounds description of the landowner's tract of land.

Persons who wish to request this option should file the required documents with the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

In addition, the landowner must also send a copy of the opt out request to the Utility. Staff may request additional information regarding your request.
