**ORDER NO. 5
RETYLING APPLICATION**

This Order addresses Commission Staff's request to change the style of this docket, filed on August 13, 2019.

Commission Staff indicated in the filing that the initial application did not specify that Undine Texas, LLC intended to add to its water certificate of convenience and necessity (CCN) an uncertificated area concurrently with the proposed transaction. Undine supplemented the application on August 9, 2019, and confirmed the request for the addition of an uncertificated area to its water CCN.

The administrative law judge grants the request to change the style of this docket. The style is changed as reflected in this Order.

Signed at Austin, Texas the 19th day August 2019.
