COMMISSION STAFF’S REQUEST FOR EXTENSION

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest, and files this request for extension and would show the following:

I. BACKGROUND

On March 27, 2019, SWWC Utilities, Inc. dba Iverness Utility Company, Inc. and Monarch Utilities I, L.P. and Bosque Utilities Corporation (collectively, Applicants) filed an application for Sale, Transfer, or Merger of Facilities and Certificate Rights in Travis County, Texas. Specifically, the applicants seek to transfer all of SWWC’s assets and water service area under certificate of convenience and necessity (CCN) number 11107 to Monarch Utilities’ CCN number 12983. The requested transfer includes approximately 325 acres and 176 customer connections within the Crosswind, Hidden Hills, Inverness Point, and Lakehurst subdivisions in Travis County.

On August 16, 2019, Order No. 7 was issued establishing a deadline of 15 days following the filing of the applicant’s proof that the transaction has been consummated and customer deposits, if any have been addressed, for Staff to file a recommendation regarding the sufficiency of the documents and propose a schedule for continued processing of this docket. Applicants filed a supplement to the application on December 18, 2019. Therefore, this pleading is timely filed.

II. REQUEST FOR EXTENSION

Pursuant to 16 Tex. Admin. Code § 22.4(b), Staff may request that the time allowed for filing any documents be extended for good cause. The Commission will be closed December 23-

27 and 31, 2019, and January 1, 2020. Below attorney will be out of the office December 30th and returning on January 6, 2020. As such, Staff requests that the deadline to file its recommendation on the sufficiency of notice be extended to January 17, 2020.

III. CONCLUSION

Staff respectfully requests an order consistent with the foregoing.
