**ORDER NO. 10  
GRANTING JOINT MOTION AND ABATING PROCEEDING**

This Order addresses the April 2, 2020, joint motion to abate the remaining deadline established in Order No. 9, filed by Commission Staff, SWWC Utilities, Inc. dba Inverness Utility Company, Inc., and Monarch Utilities I, L.P. The parties request that the deadline to jointly file a proposed notice of approval be abated pending resolution of Docket No. 49732<sup>1</sup> and once resolved, the parties in this case will prepare and file a proposed notice of approval and applicable final tariff.

Specifically, the parties in this proceeding contend that the Commission's determination in Docket No. 49732 will affect Monarch's tariff language and should precede any final tariff approval in the instant docket.

The administrative law judge grants the joint motion and abates this proceeding until Docket No. 49732 is resolved. During the pendency of Docket No. 49732, the parties must file a joint status report at the beginning of each quarter, starting on July 1, 2020. Not later than ten days following resolution of Docket No. 49732, the parties to this proceeding must file a request that this docket be unabated along with a proposed notice of approval and final tariff, or propose a future date at which they will file a proposed notice of approval and final tariff.
