**ORDER NO. 4  
FINDING APPLICATION INCOMPLETE AND DEFICIENT,  
AND ESTABLISHING AN OPPORTUNITY TO CURE**

This Order addresses the March 28, 2019, application of Las Lomas Municipal Utility District No. 4A of Kaufman County, formerly known as Las Lomas Municipal Utility District No. 4 of Kaufman County and Las Lomas Municipal Utility District No. 4B of Kaufman County for approval of a sale, transfer, or merger of facilities and certificate rights in Kaufman County. On July 22, 2019, Commission Staff filed a supplemental recommendation on the administrative completeness of the application.

Commission Staff recommends the application be found to remain administratively incomplete for further review. Upon evaluation of the Commission Staff recommendation, the application is found administratively incomplete and deficient, and insufficient for further review under 16 Texas Administrative Code (TAC) § 24.8(b) until the deficiencies are corrected.

Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before August 22, 2019, the applicants must supplement the application to cure the deficiencies as described in the July 19, 2019 memorandum by Roshan Pokhrel. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

On or before September 23, 2019, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 23<sup>rd</sup> day of July 2019.
