**ORDER NO. 11
FINDING CLOSING DOCUMENTATION SUFFICIENT,
ESTABLISHING PROCEDURAL SCHEDULE**

This Order addresses the application of Las Lomas Municipal Utility District No. 4B of Kaufman County and Las Lomas Municipal Utility District No. 4 of Kaufman County for sale, transfer, or merger of facilities and certificate rights in Kaufman County. On June 16, 2020, the applicants filed a letter stating that there is no transaction to take place between Las Lomas 4A and Las Lomas 4B other than the transfer of CCNs.

The administrative law judge finds the closing documentation sufficient. However, the transfer of certificate rights requested in this application is not complete until the application receives final approval. The applicants also indicated that there are no customer deposits to address.

The following procedural schedule applies for continued processing:

Event	Date
Deadline for Commission Staff to provide final maps, certificates, and tariffs (if applicable) to applicants for review and consent	August 31, 2020
Deadline for applicants to file signed consent forms with the Commission	September 14, 2020
Deadline for parties to jointly file a proposed Notice of Approval, including proposed findings of fact, conclusions of law and ordering paragraphs	September 28, 2020

Signed at Austin, Texas the 28th day of July 2020.
