Re: SOAH Docket No. 473-19-3864; PUC Docket No. 49421; *Application of CenterPoint Energy Houston Electric, LLC for Authority to Change Rates*

Dear Judges Bailey, Arnold and Drews:

On June 7, CenterPoint Energy Houston Electric, LLC ("CenterPoint Houston") filed a petition for review of municipal action and motion to consolidate for cities that had not taken action on the rate change request prior to the effective date and thereby approved the rate change request. The list of cities was based on the records received from cities at the time of filing. After filing, CenterPoint Houston received copies of resolutions from cities that were included in the petition for review but had actually suspended the rate change request prior to the effective date. Those cities are Simonton, Wharton, and Clute. Accordingly, these cities maintain their original jurisdiction over the rate change request and should not be consolidated with Docket No. 49421 at this time. CenterPoint Houston will include these cities in a later petition for review and motion to consolidate after they take action on the rate change request.

Best regards,

Mark A. Santos
