Re: SOAH Docket No. 473-19-3864; PUC Docket No. 49421; *Application of CenterPoint Energy Houston Electric, LLC for Authority to Change Rates*

Dear Judges Bailey, Arnold and Drews:

CenterPoint Energy Houston Electric, LLC (the “Company”) has been in discussion with Commission Staff (“Staff”) regarding the establishment of a distribution cost recovery factor (“DCRF”) baseline in this proceeding. Both the Company and Staff agree that that the DCRF baseline will be derived from the evidentiary record and the values set forth in the Commission’s final number run and Final Order. Accordingly, to avoid controversy or confusion at this point, the Company withdraws the DCRF baseline stated in Appendix 2 to its Initial Brief and the DCRF baseline errata to that Appendix 2 filed on July 16, 2019.

Best regards,

Mark A. Santos
