**Re: Application of Entergy Texas, Inc. to Adjust its Energy Efficiency Cost Recovery  
Factor SOAH Docket No. 473-19-4420, PUC Docket No. 49493**

Dear Judge Soto:

Pursuant to Order No. 2, which orders parties to file either an executed settlement agreement, three agreed proposed dates for a hearing, or a status update regarding the settlement on August 12, 2019, the parties provide this status update. Parties have reached an agreement in principle and are now collecting signature pages. The target date for filing the settlement agreement and motion to remand is Friday, August 16, 2019.

Regarding the 180-day deadline, since parties plan to file settlement documentation by August 16, 2019, parties agree that no additional extension is necessary.

Sincerely,

Wajiha Rizvi
