RE: PUC Docket No. 49495, SOAH Docket No. 473-19-4422 – *Application of Southwestern Public Service Company to Adjust its Energy Efficiency Cost Recover Factor*

Dear Mr. Journeay,

On May 1, 2019, Southwestern Public Service Company (SPS), filed an application to revise its Energy Efficiency Cost Recovery Factor (EECRF). On May 2, 2019, the Commission issued an Order of Referral, requiring the parties file a list of issues to be addressed in this docket by May 10, 2019. Subsequently, on May 9, 2019, Staff filed a request for an extension to provide its list of issues until May 15, 2019. Thereafter, on May 14, 2019, Staff filed its proposed list of issues.

Staff requests to correct an issue listed in its most recent filing due to a scrivener's error:

Modify Issue 10(d), under the **Performance Bonus** section, by omitting the first reference to "2017," for purposes of accuracy.

d. If a performance bonus is requested for program year 2018, was the ~~2017~~ performance bonus collected through the EECRF approved in 2017 for the 2018 program year, if any, included in the program costs for purposes of this calculation?

Commission Staff respectfully requests adoption of the correction proposed above.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Nemer', written in a cursive style.
