Re: *Application of City of Royse City and BHP Water Supply Corporation to Amend Certificates of Convenience and Necessity for Partial Dual Certification in Hunt County Under Texas Water Code §13.248 and 16 Texas Admin. Code § 24.253, Docket No. 49498*

Filing Clerk:

In accordance with Texas Water Code § 13.257(r), enclosed for filing in the above-referenced docket are certified copies of CCN Nos. 10064 and 12827 and the certified map showing the area dually certified to both CCNs, as approved in Docket No. 49498. The certificates and map have been filed in Hunt County as shown in Attachment 1. Because the CCN map was developed by Commission Staff using the Texas State Plan Coordinate System, it is the City's understanding that the map itself also satisfies the boundary description requirements in § 13.257(r)(1). Accordingly, the City of Royse City submits the filed copies of the CCNs and map in satisfaction of the requirements of § 13.257(r) of the Texas Water Code.

Sincerely,

Georgia N. Crump
