**ORDER NO. 2
FINDING APPLICATION INSUFFICIENT,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses the administrative completeness of the application filed on May 21, 2019, by the City of Lago Vista for water and sewer certificates of convenience and necessity (CCN), and to cancel Lohmans Ford Water Company's CCN number 11894 in Travis County.

The administrative law judge finds the application is administratively incomplete and insufficient for further review in accordance with 16 Texas Administrative Code (TAC) § 24.8(b).

Under 16 TAC § 24.8(d), the Commission does not consider an application filed until it finds the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before July 19, 2019, Sun WSC must supplement the application to cure the deficiencies described in Elisabeth English's June 20, 2019 memorandum. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

On or before August 19, 2019, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 24th day of June 2019.
