COMMISSION STAFF'S CORRECTION TO FINAL RECOMMENDATION

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest and files this correction. In support thereof, Staff would show the following:

I. BACKGROUND

On May 21, 2019, the City of Hallsville (Hallsville) filed an application to amend its water certificate of convenience and necessity (CCN) No. 13200 and to decertify a portion of West Harrison Water Supply Corporation's (West Harrison) CCN No. 12728 in Harrison County. The application was filed pursuant to Texas Water Code (TWC) §§ 13.242-.250 and 16 Texas Administrative Code 24.225-.237. Hallsville proposes to incorporate an area which is comprised of 16 acres and 24 current customers.

On January 10, 2020, for Staff filed its final recommendation.

II. CORRECTION

In both the Background section of Staff's final recommendation and in the supporting memorandum of Mr. Nabaraj Pokharel, Staff made an inadvertent error in describing the number of existing customers. Correctly stated, the service area contains approximately 16 acres, 0 existing customers, and 24 proposed connections.

III. CONCLUSION

Staff respectfully proffers the above corrections to its final recommendation.

Dated: January 23, 2020

Respectfully submitted,

**PUBLIC UTILITY COMMISSION OF TEXAS
