**ORDER NO. 2
FINDING APPLICATION INSUFFICIENT,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses the administrative completeness of the application filed on May 21, 2019, by the City of Hallsville to amend its water certificate of convenience and necessity (CCN) number 13200 and to decertify a portion of West Harrison Water Supply Corporation's CCN number 12728 in Harrison County.

The administrative law judge finds the application is administratively incomplete and insufficient for further review in accordance with 16 Texas Administrative Code (TAC) § 24.8(b).

Under 16 TAC § 24.8(d), the Commission does not consider an application filed until it finds the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before August 5, 2019, the City must supplement the application to cure the deficiencies described in Debbie Reyes' June 10, 2019 memorandum. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

On or before September 4, 2019, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 21st day of June 2019.
