DOCKET NO. 49560

**APPLICATION OF ECHO HILLS POA §
WATER SYSTEM FOR AN EXEMPT §
UTILITY REGISTRATION §**

**PUBLIC UTILITY COMMISSION
OF TEXAS**

**ORDER NO. 10
OPPORTUNITY TO RESPOND**

This Order addresses the February 13, 2020, correspondence received from Bobbie Brown, Secretary of the Echo Hills POA. In her correspondence Ms. Brown indicates that Echo Hills will keep its certificate of convenience and necessity number 12553. While the letter is somewhat vague, the administrative law judge (ALJ) considers that the intent of the letter is for Echo Hills to withdraw its application to register as an exempt utility.

If the ALJ is correct and Echo Hills no longer wishes to obtain an exempt utility registration and intends to keep it CCN, then Echo Hills need not do anything more and the ALJ will treat the February 13, 2020 correspondence as a motion to dismiss and issue an order to closing this docket after March 9, 2020.

If the ALJ is incorrect then, by March 9, 2020, Echo Hills must file a response stating its intent to continue pursuing the exempt utility registration.

Signed at Austin, Texas the 18th day of February 2020.
