DOCKET NO. 49566

APPLICATION OF THE CITY OF	§	PUBLIC UTILITY COMMISSION
ELMENDORF FOR A SEWER	§	
CERTIFICATE OF CONVENIENCE	§	OF TEXAS
AND NECESSITY IN BEXAR COUNTY	§	

ORDER NO. 6
FINDING APPLICATION REMAINING INSUFFICIENT,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE

This Order addresses the administrative completeness of the application filed on May 23, 2019, by the City of Elmendorf for a sewer certificate of convenience and necessity in Bexar County.

The administrative law judge finds the application remains administratively incomplete and insufficient for further review in accordance with 16 Texas Administrative Code (TAC) § 24.8(b).

Under 16 TAC § 24.8(d), the Commission does not consider an application filed until it finds the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before April 2, 2020, the applicant must supplement the application to cure the deficiencies described in Debbie Reyes and Elisabeth English's August 28, 2019 memorandum. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

On or before May 4, 2020, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.
