**RESPONSE OF ONCOR ELECTRIC DELIVERY COMPANY LLC  
TO COMMISSION STAFF'S  
SECOND REQUEST FOR INFORMATION**

TO THE HONORABLE PUBLIC UTILITY COMMISSION OF TEXAS:

Oncor Electric Delivery Company LLC (Oncor) files this Response to the  
aforementioned requests for information.

**I.**

**Written Responses**

Attached hereto and incorporated herein by reference are Oncor's written  
responses to the aforementioned requests for information. Each such response is set  
forth on or attached to a separate page upon which the request has been restated.  
Such responses are also made without waiver of Oncor's right to contest the  
admissibility of any such matters upon hearing. Oncor hereby stipulates that its  
responses may be treated by all parties exactly as if they were filed under oath.

**II.**

**Inspections**

In those instances where materials are to be made available for inspection by  
request or in lieu of a written response, the attached response will so state. For those  
materials that a response indicates may be inspected at the Austin voluminous room,  
please call at least 24 hours in advance for an appointment in order to assure that there  
is sufficient space and someone is available to accommodate your inspection. To make  
an appointment at the Austin voluminous room, located at 1005 Congress, Suite B-50,  
Austin, Texas, or to review those materials that a response indicates may be inspected  
at their usual repository, please call Teri Smart at 214-486-4832. Inspections will be

scheduled so as to accommodate all such requests with as little inconvenience to the requesting party and to company operations as possible.

Respectfully submitted,

**Oncor Electric Delivery Company LLC**

**Request**

Is Oncor including any affiliate expenses in its Application for 2020 Energy Efficiency Cost Recovery Factor (Application)?

**Response**

The following response was prepared by or under the direct supervision of Michael R. Stockard, the sponsoring witness for this response.

Oncor is not including any affiliate expenses in its Application for 2020 Energy Efficiency Cost Recovery Factor.

**Request**

Has Oncor included any employee incentive compensation as part of its Application?

**Response**

The following response was prepared by or under the direct supervision of Michael R. Stockard, the sponsoring witness for this response.

Oncor has not included any employee incentive compensation as part of its Application.

**Request**

If the response to Staff RFI 1-2 is "yes," please answer the following with regard to performance metrics:

- a) Provide a list of the performance metrics that are included in the applicable employee incentive compensation plan(s).
- b) Based on the list provided in Staff RFI 1-3(a), please identify the performance metrics that are driven by financial performance.
- c) Based on the list provided in Staff RFI 1-3(a), please identify the performance metrics that are driven by operational performance.
- d) Please provide the dollar amounts, by FERC account, paid as compensation for each of the performance metrics listed in Staff RFI 1-3(a). Please break out the response as follows:
  - i. the reconciled years;
  - ii. the current program year; and
  - iii. the 2020 estimated program year.

**Response**

The following response was prepared by or under the direct supervision of Michael R. Stockard, the sponsoring witness for this response.

Please see Oncor's response to Staff's RFI Set No. 2, Question No. 2-02 in this Docket.

**Request**

Has Oncor included any energy efficiency employee expenses as part of its Application?

NOTE: Such types of expenses would include travel, meals, lodging, etc. related to energy efficiency.

**Response**

The following response was prepared by or under the direct supervision of Michael R. Stockard, the sponsoring witness for this response.

Yes, Oncor has included energy efficiency employee expenses as part of its Application.

**Request**

If the response to Staff RFI 1-4 is "yes," please provide a schedule of these energy efficiency employee expenses detailing:

- a) Employee Position Title;
- b) Date of Transaction;
- c) Description of and Purpose of Transaction;
- d) Total Dollar Amount; and
- e) FERC Account/Sub-Account.

Please further break out the RFI response as follows:

- 1) the reconciled years;
- 2) the current program year; and
- 3) the 2020 estimated program year.

**Response**

The following response was prepared by or under the direct supervision of Michael R. Stockard, the sponsoring witness for this response.

Per agreement between Oncor and Staff, please see Oncor's response to PUC Staff RFI Set 1, Question No. 1-01 for a schedule of energy efficiency employee expenses detailing Employee Position Title, Date of Transaction, Description of and Purpose of Transaction and Total Dollar Amount for the 2018 Program Year. Estimates for the 2020 Program Year are based on historical costs and have not been assigned to specific Employee Position Title or Transaction Description. Per discussion between Oncor and Staff, Staff has withdrawn its request for information regarding the current program year (i.e., 2019).

The Oncor FERC Account / Sub Account for all energy efficiency costs in its EECRF is 2284000.

**Request**

Please confirm or deny that Oncor did not incur any rate case expenses in Docket No. 48421.

**Response**

The following response was prepared by or under the direct supervision of J. Michael Sherburne, the sponsoring witness for this response.

Oncor confirms it did not incur any rate case expenses related to Docket No. 48421.
