RE: Docket No. 49605 – *Application of Carroll Water Co., Inc. for a Price Index Rate Adjustment*

Dear Ms. Vanderlip:

On June 5, 2019, Carroll Water Co., Inc. (Carroll Water) filed an application for a price index rate adjustment with the Public Utility Commission of Texas (Commission). In order to complete Staff's review of the application, Staff requests additional information, in addition to the information requested by the administrative law judge in Order No. 1, issued on June 11, 2019. Specifically, Staff requests Carroll Water submit the following:

1. Please notice that the current Commission-approved class C price index adjustment is 3.2%, not the 2018 3.5% used in the calculation of the gallonage rates in the Utility's application.
2. Please approve the use of the attached amended notice.

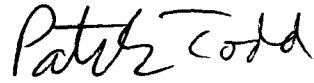

Please do not implement the rate increase or provide notice of the rate increase to your customers until the Commission indicates that your application has been approved.

In order to ensure timely review of your application, please file the additional information requested above no later than 10 business days from filing. If you have any questions, please contact me at (512) 936-7290 or email me at patrick.todd@puc.texas.gov.
