PUBLIC UTILITY COMMISSION
FILING CLERK

I am writing this letter in protest of the proposed rate increase requested by Carroll Water Company located in Ellis County docket number 49605.

Carroll Water Company has received numerous citations for violations during the past year. We do not believe any money collected from this proposed increase will go to any capital improvement. Carroll Water Company has been the beneficiary of rate increases in the past. We continue to experience the same issues year after year and increases after increases. If this is not possible, we request a public hearing to discuss the matter.

Sincerely,

Ronald and Carla Wingt
