**ORDER NO. 2
REQUIRING CLARIFICATION**

This Order addresses the July 3, 2019, recommendation on the administrative completeness and proposed notice of the application. A memorandum dated July 1, 2019, describing the form and manner of recommended notice was attached to the recommendation.

The administrative law judge notes that although the memorandum does not specify that newspaper publication should be required, the final paragraph of the memorandum states that a publisher's affidavit should be filed. On or before July 17, 2019, Commission Staff must file an amended recommendation clarifying whether notice published in a newspaper of general circulation is recommended.

Signed at Austin, Texas the 10th day of July 2019.
