Re: Tariff Control No. 49625 – *Application of Cody & Anita Lewis dba Water Works I & II for a Pass Through Rate Change*

NOTICE REQUESTING CLARIFICATION

This Notice addresses Commission Staff's recommendation and proposed tariff, filed on October 1, 2019. Although the application appeared to request a monthly base fee of \$21.06 per connection per month for customers in the Water Works II Island Lodges subdivision, Commission Staff's recommendation and proposed tariff reflect a monthly base fee of \$21.01 per connection per month. The administrative law judge requests clarification concerning this apparent discrepancy.

On or before November 4, 2019, Commission Staff must file a statement of clarification and, if appropriate, a revised proposed tariff.

Signed at Austin, Texas the 28th day of October 2019.
