**ORDER NO. 4  
CLARIFYING NOTICE REQUIREMENTS**

This Order addresses Conroe Resort's notice requirements under Order Nos. 2 and 3. In Order No. 2 filed on July 17, 2019, the administrative law judge (ALJ) required Conroe Resort to provide notice to customers of the proposed rate change and to file proof of the submission of notice. The ALJ reiterated the need for notice and proof of the notice in Order No.3 filed on July 23, 2019.

After further review, the ALJ modifies the need for notice in the present docket. Under 16 Texas Administrative Code 24.49(e), notice to customers is required, but only after the applicant receives a written notice of approval issued by the Commission and at least 30 days before the effective date of the proposed rate change. As the notice of approval has not yet been issued, the ALJ instructs Conroe Resort not to provide notice to ratepayers until the notice of approval is issued in the present docket. The ALJ will provide updated instructions on notice and proof of the notice in the notice of approval that will be issued as soon as practicable.

Signed at Austin, Texas the 19<sup>th</sup> of November 2019.
