Transfer, or Merger of Certificate Rights in Coryell and Lampasas Counties  
Docket No. 49635  
Order No. 5 Response – Request for Time Extension

Dear Ms. Graham,

Regarding the applicant's deadline of January 15, 2020 to file signed affidavits and copies of the notice that was required to be provided to all affected parties, we are requesting that the deadline be extended two (2) weeks. The notices we're mailed to all affected parties on December 23<sup>rd</sup>, 2019. The notice was also published in the Copperas Cove Leader Press on December 31<sup>st</sup> and again on January 7<sup>th</sup>. Due to the recent holidays, receipt of the original signed affidavits has been delayed. Once they are received, we will provide a filing with the original affidavits as well as copies of the notice that was sent out along with a copy of the map showing the proposed service area that was included with each notice.

If you have any questions or need any additional information, feel free to contact me. Thank you.
