Re: Docket 49660 - Application of Ni America Texas, LLC and Monarch Utilities I LP for Sale
Transfer, or Merger of Facilities and Certificate Rights in Johnson and Wise Counties

Report of Transaction Status Number 1

To the Commission:

Ordering Paragraph 6 of Order Number 10 issued in this Docket on March 3, 2020 requires the applicants to file monthly updates regarding the status of the closing. The company is still working to accomplish all preliminary actions needed to complete the transaction, and thus reports that it has not been closed as of this date. Monarch does expect to complete the transaction well before the deadline set in the Order.

Please contact me if any additional information is required at this time.

Sincerely,

/s/ George Freitag
