RE: Project No. 49663, Application of Tyler Bluff Wind Project, LLC to Amend its Power Generation Companies Registration

RECOMMENDATION

On June 24, 2019, Tyler Bluff Wind Project, LLC (TBW or Company) filed an application to amend its power generation company registration pursuant to 16 Texas Administrative Code (TAC) §25.109. TBW indicated that an amendment is necessary to remove Nachogdoches Power, LLC from the list of affiliated companies. TBW's registration number is 20393.

After a review of the TBW amendment request, Staff has concluded that the company has satisfactorily completed the post registration requirements under 16 TAC §25.109 (h) by reporting a material change in the information provided on the registration form within 45 days of the change. An oath or affirmation signed by an owner, partner, or officer of the registering party was included with the application pursuant to 16 TAC §25.109 (f).

Therefore, Staff recommends that TBW's amendment request be granted and commission records be revised to reflect the amendment.
