**ORDER NO. 4
DENYING MOTIONS TO INTERVENE**

This Order addresses the motions to intervene filed by Aspire Power Ventures, LP on August 12, 2019; 3S Real Estate Investments, LLC on August 14, 2019; and V247 Power Corporation on August 14, 2019.

The complaint at issue in this case is brought against the Electric Reliability Council of Texas, Inc. (ERCOT) and concerns ERCOT's performance as an independent organization under PURA.¹ The procedures for such complaints are set forth by 16 Texas Administrative Code (TAC) § 22.251. Under 16 TAC 22.251(g), any party desiring to intervene shall file a motion to intervene within 45 days from the date the complaint was filed. The complaint in this case was filed on June 25, 2019. The 45th day following June 25, 2019 is August 9, 2019. In Order No. 1 issued on June 27, 2019, the administrative law judge (ALJ) established the intervention deadline as August 9, 2019.

Commission records reflect that the motions to intervene of Aspire Power Ventures, LP, 3S Real Estate Investments, LLC, and V247 Power Corporation were untimely filed. The motions do not provide an explanation, and therefore do not establish good cause, for their untimely filing. ERCOT filed a timely objection to the motions.

The ALJ denies the motions to intervene.

Signed at Austin, Texas the 19th day of September 2019.
