**ORDER NO. 4
FINDING NOTICE DEFICIENT AND
REVISING PROCEDURAL SCHEDULE**

This Order addresses the application of Perry Water Supply Corporation and Tri-County Special Utility District (applicants) for approval of a sale, transfer, or merger of facilities and certificate rights in Falls, McLennan, Robertson, and Limestone counties and the deficiencies of the notice. Tri-County SUD did not include an example of the actual notice that was provided to the persons listed in the affidavit filed on October 11, 2019.

The administrative law judge finds the notice deficient and directs the applicants to file a copy of the notice mailed to customers, neighboring utilities, and affected parties by November 4, 2019. Further, Commission Staff must file a supplemental recommendation on the sufficiency of notice on or before November 14, 2019.

Signed at Austin, Texas the 23rd day of October 2019.
