PUBLIC UTILITY COMMISSION

OF TEXAS

CORRECTED AGREED MOTION TO ADMIT EVIDENCE

COMES NOW, Tri-County Special Utility District (“Tri-County SUD”) and Perry Water Supply Corporation (“Perry”) (collectively, “Applicants”), together with the Staff of the Public Utility Commission of Texas (“Commission Staff”) (collectively, the Parties), and file this Corrected Agreed Motion to Admit Evidence. In support thereof, the Parties show the following:

I. BACKGROUND

On July 1, 2019, Applicants filed an application for sale, merger, or transfer of facilities and certificate rights in Falls, McLennan, Robertson, and Limestone Counties. Specifically, the Applicants seek approval to transfer all of Perry’s facilities and water service under Certificate of Convenience and Necessity (“CCN”) No. 11129 to Tri-County SUD’s CCN No. 10054.

On September 18, 2020, the Parties timely filed an agreed motion to admit evidence and joint proposed notice of approval, as required by Order No. 12 in this proceeding. However, the motion to admit evidence referenced an attached map and certificate that was inadvertently omitted from the pleading when filed. Therefore, the Parties file this corrected motion to admit evidence with the above-referenced map and certificate now attached. The Parties note that this correction does not affect the substance or content of the Joint Proposed Notice of Approval filed on September 18, 2020.

II. JOINT MOTION TO ADMIT EVIDENCE

The Parties move to admit the following into the record evidence of this proceeding:

- (a) Applicants' Report on Completion of Transfer, filed June 10, 2020 (Interchange Item No. 26);
- (b) Commission Staff's recommendation on sufficiency of the closing documents, filed June 25, 2020 (Interchange Item No. 28);
- (c) Applicants' Executed Consent Forms, filed September 16, 2020 (Interchange Item No. 36);
and
- (d) The final map and certificate attached to this pleading.

III. CONCLUSION

The Parties respectfully request that the Commission grant this corrected motion to admit evidence and approve the Joint Proposed Notice of Approval filed on September 18, 2020.

Dated: September 22, 2020

Respectfully submitted,

Public Utility Commission of Texas

By These Presents Be It Known To All That

Tri-County SUD

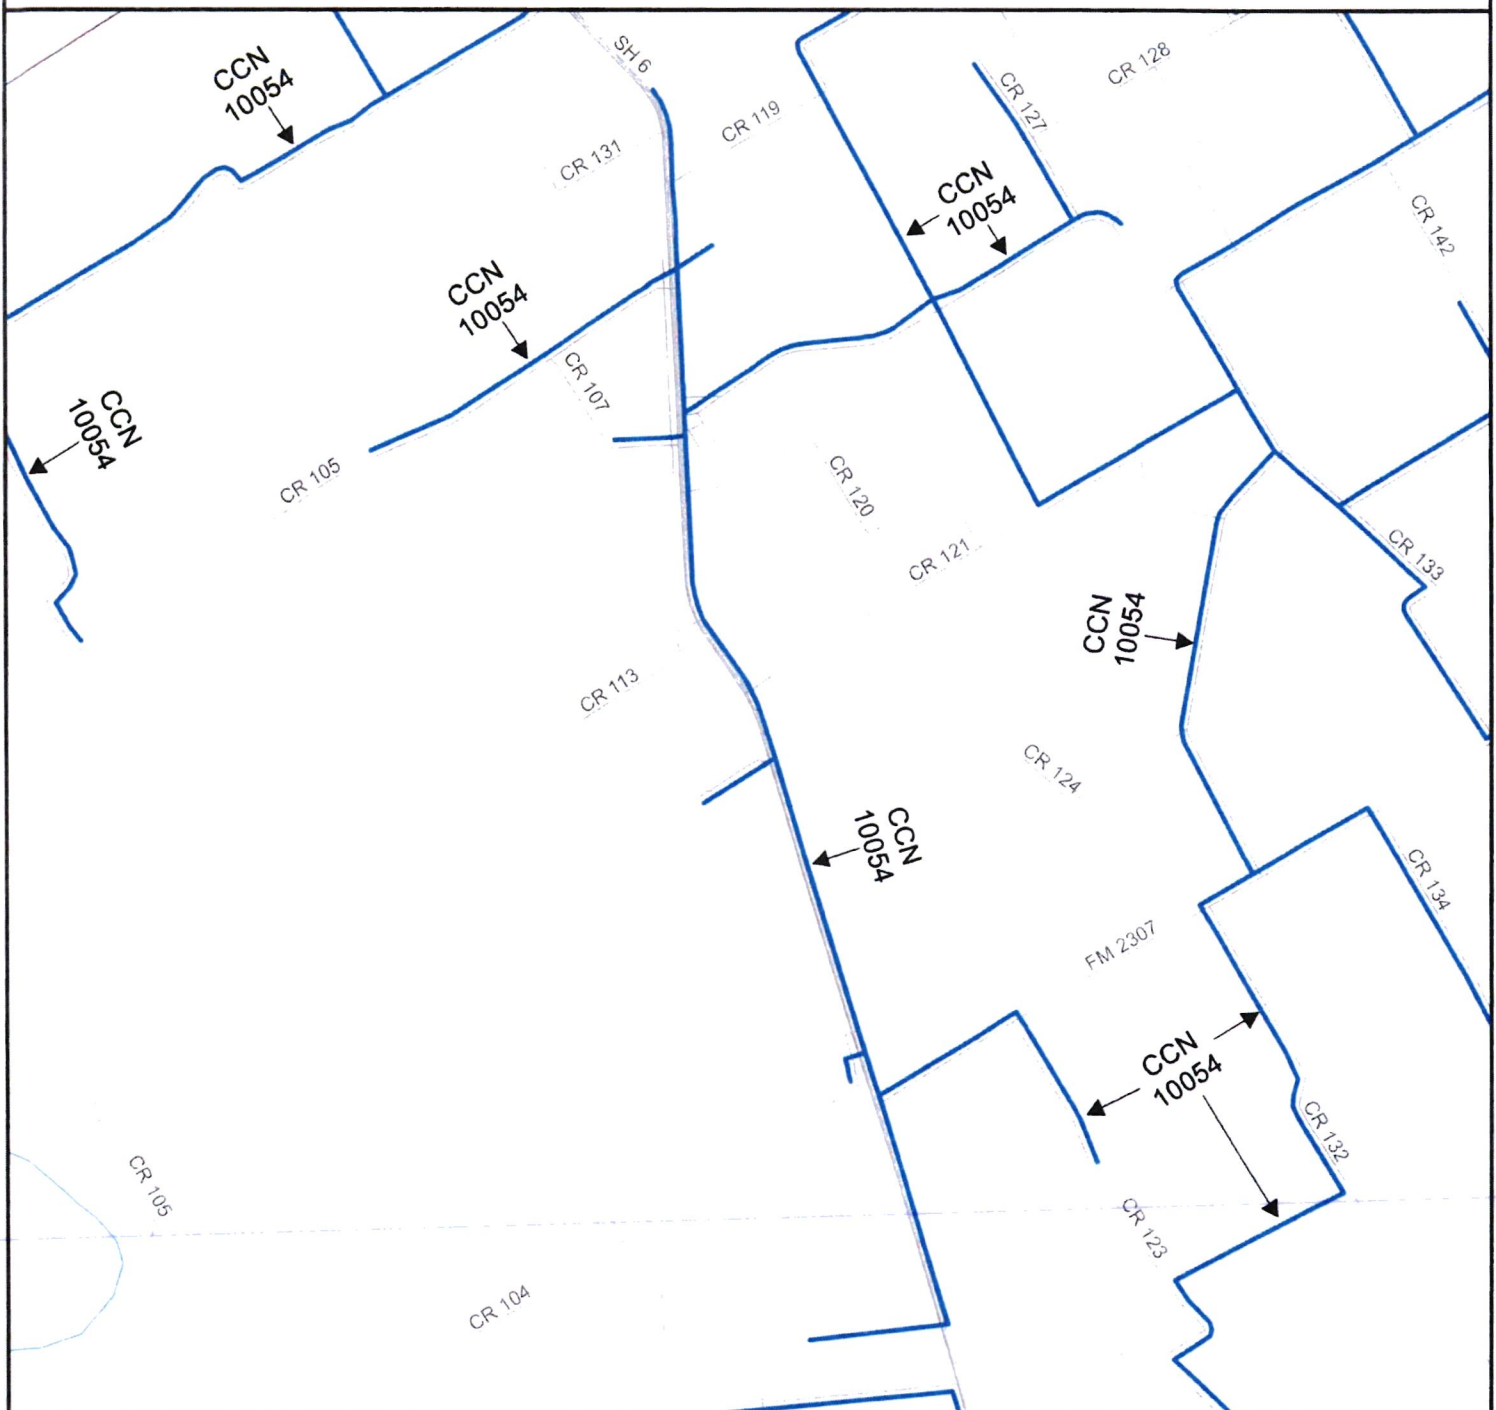

having obtained certification to provide water utility service for the convenience and necessity of the public, and it having been determined by this Commission that the public convenience and necessity would in fact be advanced by the provision of such service, Tri-County SUD is entitled to this

Certificate of Convenience and Necessity No. 10054

to provide continuous and adequate water utility service to that service area or those service areas in Falls, Limestone, McLennan, and Robertson Counties as by final Order or Orders duly entered by this Commission, which Order or Orders resulting from Docket No. 49691 are on file at the Commission offices in Austin, Texas; and are matters of official record available for public inspection; and be it known further that these presents do evidence the authority and the duty of the Tri-County SUD to provide such utility service in accordance with the laws of this State and Rules of this Commission, subject only to any power and responsibility of this Commission to revoke or amend this Certificate in whole or in part upon a subsequent showing that the public convenience and necessity would be better served thereby.
