RE: Project No. 49695 - *Application of Electrasource Advisors, LLC for Aggregator Registration*

RECOMMENDATION

On July 2, 2019, Electrasource Advisors, LLC (Electrasource Advisors or the Company) filed an application for registration as an aggregator pursuant to 16 Texas Administrative Code (TAC) § 25.111. The Company stated in its application that it is seeking registration as a Class I aggregator that aggregates private customers to buy electricity from retail electric providers (REPs) under 16 TAC § 25.111(c)(2)(A).

Pursuant to 16 TAC § 25.111 (f)(1)(C), a person seeking to register as a Class I, Class II.A or Class II.D aggregator must provide the name, title, business address, and phone number of each of the registering party's directors, officers, or partners. Electrasource Advisors is compliant with 16 TAC § 25.111(f)(1) because the Company provided all the required information in its application to register as an aggregator.

After a review of Electrasource Advisors' application, Staff concludes that Electrasource Advisors has satisfactorily completed the application for registration as an aggregator and recommends that Electrasource Advisors, LLC's application be approved.
