RE: Tariff Control No. 49700 – *Application of Southwest Texas Telephone Company for Approval of Intrastate Access Service Tariff Revisions*

NOTICE OF APPROVAL

This Notice addresses the application of Southwest Texas Telephone Company to make revisions to its Intrastate Access Service Tariff.

The revisions are necessary to bring Southwest Texas Telephone's tariff into compliance with the Federal Communications Commission's intercarrier compensation reform, requiring intrastate access rates to be in parity with interstate access rates. The revisions also remove Narrowband Special Access Services because the services are no longer provided by Southwest Texas Telephone. Southwest Texas Telephone requested an effective date of July 2, 2019.

On July 16, 2019, Commission Staff recommended approval of the application. The administrative law judge approves Southwest Texas Telephone's application along with the following tariff sheets, effective July 2, 2019:¹

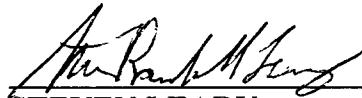

¹ Administrative approval of this uncontested tariff application has no precedential value in a future proceeding.
