**SOUTHWESTERN ELECTRIC POWER COMPANY'S SUPPLEMENTAL RESPONSE
TO EAST TEXAS ELECTRIC COOPERATIVE, INC. AND NORTHEAST TEXAS
ELECTRIC COOPERATIVE, INC.'S FIRST REQUEST FOR INFORMATION**

Question No. 1-14:

Please refer to page 5, line 10, of the direct testimony of SWEPCO witness Malcom Smoak. Provide a copy of SWEPCO's application filed at FERC requesting approval of the acquisition of the Selected Wind Facilities. If the application has not been filed, when does SWEPCO plan to file it? Please provide the application as soon as it becomes available.

Response No. 1-14:

The application to FERC for approval of the transactions has not been made. That application must be made no later than 120 days from the execution of the Purchase and Sale Agreements for the Selected Wind Facilities, or by November 9, 2019. At this time, the Company does not have a more precise timeline for when that filing will be made, but will provide a copy as requested.

Supplemental Response No. 1-14:

On November 15, 2019 the Company, along with Public Service Company of Oklahoma, filed with the FERC its Joint Application for Authorization of Transactions for the Traverse, Maverick, and Sundance facilities in FERC Docket No. EC20-17-000. Please see ETEC 1-14 Supplemental Attachment 1(provided electronically on the PUC Interchange).
