**ORDER NO. 2
GRANTING MOTION AND EXTENDING DEADLINES**

This Order addresses Southwestern Electric Power Company's (SWEPCO) July 22, 2019, motion to extend the intervention and proof of notice deadlines established in Order No. 1. SWEPCO also requested clarification regarding its proof of notice.

SWEPCO requested the extension of the deadline to intervene to September 30, 2019, to accommodate its billing cycle, to enable Commission Staff time to provide comments on the sufficiency of notice form, and to ensure that customers have the ability to intervene after the notice process is complete.

SWEPCO also requested that proof of notice be clarified to reflect the names and addresses of the parties to Docket Nos. 47461 and 46449, but not include the names and addresses of all of its customers.

The administrative law judge (ALJ) grants SWEPCO's motion and extends the deadline to intervene to September 30, 2019, and the deadline to file proof of notice to October 15, 2019.

The ALJ also clarifies that proof of notice should include the names and addresses of the parties to Docket Nos. 47461 and 46449, but not include the names and addresses of all of its customers.

Signed at Austin Texas the 23rd day of July 2019.
