RE: SOAH Docket No. 473-19-6862
PUC Docket No. 49737

Dear Chairman Walker:

I am writing this letter on behalf of the Gladewater Chamber of Commerce to ask for your support for the proposed development by Southwestern Electric Power Company of 9810 megawatt of wind energy to serve its customers.

In order for existing business to have lower electricity prices and to entice new business to our East Texas area as well as lower rates for our families, cities, schools and local government, we believe the SWEPCO proposal will offer such cost savings that will benefit all of us.

Again, the Gladewater Chamber of Commerce supports the SWEPCO wind energy proposal and we urge the Public Utility Commission of Texas to grant SWEPCO's application.

Sincerely,

Marsha Valdetero
