Notice for Publication

NOTICE OF APPLICATION TO AMEND A CERTIFICATE OF CONVENIENCE AND NECESSITY TO PROVIDE WATER AND SEWER UTILITY SERVICE IN MONTGOMERY TEXAS.

C&R Water Supply, Inc. has filed an application with the Public Utility Commission of Texas to amend its water Certificate of Convenience and Necessity (CCN) No. 13098 and sewer CCN No. 20987 for the provision of retail water and sewer utility service in Montgomery County.

The requested area is located approximately 3 miles southeast of downtown Cut & Shoot, TX, and is generally bounded on the north by 0.4 mile south of Condra Road; on the east by Milam Branch; in the south by 0.8 mile north of White Rock Road; and on the west by Crockett Martin Road.

The requested area includes approximately 45 total acres and 0 current customers.

The requested area overlaps the boundaries of the San Jacinto River Authority. If San Jacinto River Authority does not request a public hearing, the Commission shall determine that the district is consenting to the C&R Water Supply, Inc's request to provide retail water and sewer utility service in the requested area.

A copy of the map showing the requested area is available at: 114 S. Danville, Willis, TX 77378.

Persons who wish to intervene in the proceeding or comment upon action sought should contact the Public Utility Commission, P.O. Box 13326, Austin, Texas 78711-3326, or call the Public Utility Commission at (512) 936-7120 or (888) 782-8477. The deadline for intervention in the proceeding is (30 days from the mailing or publication of notice, whichever occurs later, unless otherwise provided by the presiding officer). You must send a letter requesting intervention to the commission which is received by that date.

If a valid public hearing is requested, the Commission will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for a final decision. An evidentiary hearing is a legal proceeding similar to a civil trial in state district court.

A landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the requested area, may file a written request with the Commission to be excluded from the requested area ("opt out") within (30) days from the date that notice was provided by the Utility. You must send a letter requesting intervention to the commission which is received by that date.

If a valid public hearing is requested, the Commission will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. An evidentiary hearing is a legal proceeding similar to a civil trial in state district court.

A landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the requested area, may file a written request with the Commission to be excluded from the requested area ("opt out") within (30) days from the date that notice was provided by the Utility. All opt out requests must include a large scale map and a metes and bounds description of the landowner's tract of land.

Persons who wish to request this option should file the required documents with the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

In addition, the landowner must also send a copy of the opt out request to the Utility. Staff may request additional information regarding your request.
