Commission Staff – Rate Regulation – Tariff and Rate Analysis
Commission Staff – Legal Division

RE: Tariff Control No. 49743 – *Application of CenturyTel of Port Aransas, Inc. dba CenturyLink to Revise its Local Residential and Business Rates Under 16 TAC §§ 26.207 and 26.208*

GRANTING EXTENSION REQUEST

This Order addresses the parties' joint request for an extension filed on August 5, 2019.

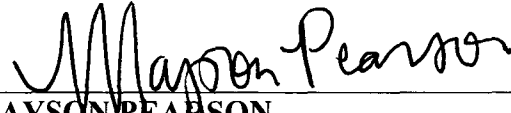

The parties request the extension because CenturyLink is in the process of reissuing its customer notice in order to clear up inconsistencies that exist within the customer notice. CenturyLink has indicated to Commission Staff that it is willing to push back its proposed effective date to accommodate the notice requirements of 16 Texas Administrative Code § 26.208(d). Because CenturyLink is reissuing notice, the parties request that the deadline for Commission Staff's recommendation be extended to ten days after CenturyLink has filed proof of the reissued notice.

The administrative law judge grants the request for an extension. Commission Staff must file its recommendation on the application ten days after CenturyLink has filed proof of the reissued notice.

Signed at Austin, Texas the 08 day of August 2019.
