**RE: DOCKET NO. 49759**  
**COMMISSION STAFF'S REQUEST FOR DOCUMENTATION**

Dear Ms. Pemberton,

On behalf of Patterson Water Supply, LLC, I am submitting the following information under oath to answer the Public Utility Commission of Texas request for documentation.

- a) **Operator costs incurred or expected from July 3, 2019 to the current date:** Attached is our charge back sheet tallying expenses occurred in May and June.
- b) **Electric bills from July 3, 2019 to the current date:** Attached are the Tri County Electric bills for meters in Horseshoe Bend.
- c) **Laboratory sampling costs incurred from July 3, 2019 to the current date and support to show the expected laboratory costs (costs expected due to water system's sampling schedule):** The Horseshoe Bend water system receives 4 test a week, each test cost \$21. Our monthly fee for lab work is \$84.
- d) **Monthly gallonage used by the customers from July 3, 2019 through the current date:** We are still in the process of locating all the meters in Horseshoe Bend. We estimate that each connection uses an average of 3,865 gallons and the system has 518 active connections. A monthly total for the system wide gallon usage is estimated at 2,002,070 gallons.
- e) **Number of meters and size of the meters:** We currently have 518 meters listed in our billing system, all of which are ¾" meters.
- f) **Costs of chemicals needed to operate the water system for one full month:** The system uses 1.5 cylinders of chemicals per month, averaging out to \$197.90 a month
- g) **The proposed increase in tap fees:** We are proposing a new tap fee of \$1000 for ¾" meter, \$1250 for a 1" meter, and \$2500 for a 2" meter.
- h) **Any other expected monthly costs for operation of the water system:** Attached is our estimated schedule or repairs and expected system improvements Patterson Water Supply is anticipating the system will need.

Respectfully Submitted,

Mark Patterson
