RE: Project No. 49766 - *Application of Tenderloin Wind (6) LLC to Amend its Power Generation Company Registration*

RECOMMENDATION

On July 19, 2019 Tenderloin Wind (6) LLC (Tenderloin Wind (6) or the Company) filed an application for an amendment to Exelon Wind 6, LLC's power generation company registration (Application) pursuant to 16 Texas Administrative Code (TAC) § 25.109. Tenderloin Wind (6) stated that an amendment is necessary to reflect a name change and a change in ownership/control. Stockyard Wind LLC, a subsidiary of GlidePath Power Solutions LLC, purchased Exelon Wind 6, LLC from Exelon Wind, LLC. The name change of the company has been changed from Exelon Wind 6, LLC to Tenderloin Wind (6) LLC. The Company's registration number is 20501.

After a review of Tenderloin Wind (6)'s application, Staff has concluded that the applicant has satisfactorily completed the post-registration requirements under 16 TAC § 25.109(h) by notifying the Commission of any material change in the information provided on the registration form within 45 days of the change. Therefore, Staff recommends that Tenderloin Wind (6) LLC's application for an amendment to Exelon Wind 6, LLC's power generation company registration be granted. The Commission records should be revised to reflect the updated change in name and ownership/control.
