PUBLIC UTILITY COMMISSION  
OF TEXAS

**NOTICE OF APPROVAL**

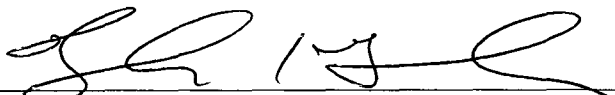

This Notice of Approval addresses Flat Iron Wind (7) LLC’s application, filed on July 19, 2019, to amend Exelon Wind 7, LLC’s power generation company (PGC) registration number 20502 in accordance with 16 Texas Administrative Code (TAC) § 25.109(h). Flat Iron Wind (7) requested the amendment to reflect a name change and a change in ownership and control. Stockyard Wind LLC, a subsidiary of GlidePath Power Solutions LLC purchased Exelon Wind 7, LLC from Exelon Wind, LLC. The name has been changed from Exelon Wind 7, LLC to Flat Iron Wind (7) LLC.

On August 9, 2019, Commission Staff recommended that the Commission approve the application because Flat Iron complied with the post-registration requirements under 16 TAC § 25.109(h) by notifying the Commission of a material change in information pertaining to the registration.

The Commission approves Flat Iron’s PGC application. The Commission must revise its records to reflect a name change and change of ownership and control for PGC number 20502.

Signed at Austin, Texas the 21<sup>st</sup> day of August 2019.
