RE: Project No. 49779 Application for Electricity Broker
Item #841

To Whom It May Concern:

On August 28, 2019, HB Hayes & Associates, LLC filed with the Public Utility Commission of Texas their Application for Electricity Broker. At that date, we were still waiting for our approved certificate of filing from the Office of the Secretary of State. Due to the filing date limit, our original application indicated that we would send such certificate when received.

We have since received our approved certificate and are forwarding it on for your records, and to amend our original filing. Also included is our approved certificate of filing for our assumed name, Alternative Energy Source.

Should you have any questions, please do not hesitate to contact me at my direct dial number 419-441-1023.

Sincerely,

ALTERNATIVE ENERGY SOURCE
