Thank you for your application to register as a Texas Energy broker. Your application requested a company name of "TVS INC" that has been assigned Broker Registration No. BR190695. Your application also requests the assumed name of "VIDEO STATION SUPERSTORE". However, according to the Texas SoS, the assumed name of "VIDEO STATION SUPERSTORE" is not properly registered; therefore, we cannot allow you to use it. In order for us to grant you use of your requested assumed name, you will need to file proof from the Texas SoS that the assumed name is properly registered. Please reference your initial filing of Project No. 49779, Item No. 860 with the supplemental information.

Please make sure you state why you are filing supplemental information:

***This filing is being made to provide a revised response to Question No. 10 by providing proof that the requested assumed name of "VIDEO STATION SUPERSTORE" is properly registered with the Texas SoS. The original filing was made in Project No. 49779 as Item No. 860.***

A list of the brokers can be found on our [website](#). The brokers are currently designated as "Interim" pending a permanent rulemaking and perhaps adoption of a new form in [Project No. 49794](#). All interim-approved brokers will be provided time to register after adoption of the rule and the "Interim" designation will be removed after that registration.

If you have any questions, please don't hesitate to contact us.
