Re: Project No. 47388 – *Application of National1 Energy, LLC for an Aggregator Registration*

CORRECTED NOTICE OF APPROVAL

On July 10, 2017, National1 Energy, LLC filed an application for registration as a Class I and Class II.A aggregator under 16 Texas Administrative Code § 25.111(TAC). On July 20, 2017, National1 Energy, LLC filed an Addendum to Part B – Technical and Customer Protection Information, 1(k).

On July 21, 2017, Commission Staff filed its recommendation stating that National1 Energy, LLC is compliant under 16 TAC § 25.111(f)(1). Commission Staff recommended that National1 Energy, LLC be registered for the aggregation service for which it applied. On July 25, 2017, a Notice of Approval was issued approving the application for National 1 Energy, LLC, rather than National1 Energy, LLC. This Notice corrects that error.

Based on the foregoing, National1 Energy, LLC's application is approved.¹ National1 Energy, LLC is granted registration number 80439.

Signed at Austin, Texas the 7th day of August 2017.

Texas Franchise Taxpayers: Your Annual Report Is Due

Your annual franchise tax report is due on the date shown in the box in the upper right corner of this letter. Even if you have no tax due or no activity to report, Texas tax law requires that you file a franchise tax report and information report each year.

Choose a Reporting Option

There are three reporting options: No Tax Due Report, E-Z Computation Report and the Long Form report. You will need to choose the best report for your situation.

Taxable entities that are part of a combined group engaged in a unitary business must file a combined group report. A passive entity or a new veteran-owned business cannot be included in a combined group report.

You can file a No Tax Due Report if your business:

- is an entity or a combined group with annualized total revenue less than or equal to the no tax due threshold;
- has zero Texas receipts; or
- meets the statutory requirements for a passive entity, a real estate investment trust or a new veteran-owned business.

You must file an original No Tax Due Report electronically. You can file free through the Comptroller's Webfile system at www.comptroller.texas.gov/taxes/file-pay/.

You can file an E-Z Computation Report if your business is an entity or a combined group with annualized total revenue of \$20 million or less.

If you choose this option, your business cannot:

- take any margin deductions (including cost of goods sold or compensation),
- take any franchise tax credits, or
- carry over that report year's temporary credit for business loss carryforward to a future period.

You must file a Long Form report if you:

- are not eligible to file either the No Tax Due Report or the E-Z Computation Report, or
- will take franchise tax credits.

Request an Extension

A \$50 penalty is due on a report filed after the due date, even if no tax is due. If you need more time to file, request an extension by the due date to avoid the penalty. A combined group must include the Texas Franchise Tax Affiliate List with its first extension request.

Save Time and File Online!

With the Comptroller's secure online system, Webfile (www.comptroller.texas.gov/taxes/file-pay/), you can file a franchise tax report, pay tax due or request an extension. First-time users will need the Webfile number in the box in the upper right corner of this letter to get started. (Note: Your tax preparer may need your Webfile number to file your report electronically.)
