Re: Project No. 49794, *Rulemaking for Broker Registrations*

Dear Messrs. Smeltzer and Crouch:

On September 30, 2019, the Alliance for Retail Markets (ARM) timely filed its Comments addressing the Staff Strawman Rule in this project. The first footnote in those Comments mistakenly included "Gexa Energy, LP" as a member of ARM participating in the project for purposes of the filed Comments. I apologize for the error.

Sincerely,

Stephen J. Davis
Attorney, Alliance for Retail Markets
