RE: Project No. 49805, Application of Buckthorn Wind Project, LLC to Amend its Power Generation Companies Registration

RECOMMENDATION

On July 31, 2019, Buckthorn Wind Project, LLC (BWP or Company) filed an application to amend its power generation company registration pursuant to 16 Texas Administrative Code (TAC) §25.109. BWP indicated that an amendment is necessary to update its affiliate information as well as a change in contact information. BWP's registration number is 20425.

After a review of the BWP amendment request, Staff has concluded that the company has satisfactorily completed the post registration requirements under 16 TAC §25.109 (h) by reporting a material change in the information provided on the registration form within 45 days of the change. An oath or affirmation signed by an owner, partner, or officer of the registering party was included with the application pursuant to 16 TAC §25.109 (f).

Therefore, Staff recommends that BWP's amendment request be granted and commission records be revised to reflect the amendment.
