PUBLIC UTILITY COMMISSION
FILING CLERK

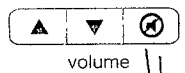

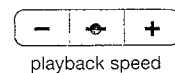

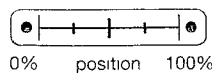

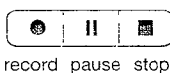

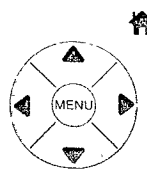

To Whom it Concerns:

I request an intervene for
Docket No. 49831 price increase
for SPS / Xcel Energy.

I like the way they just
sent the notice out.
Received it today Sept 20,
+ deadline is Monday Sept 23.

Thank you,
J. Fultee

And why is it that Texas
residential bill will go up Aug of
\$ 21.00 but Colorado residents
will only go up about \$ 4.46 months?
That's not right.
