DEFINITIONS

The following definitions apply to each of the RFIs, instructions, and definition set forth in this document:

5. "Documents" refers to all writings and records of every type, including e-mails or other electronic media, in the possession, control, or custody of AXM. "Documents" shall also refer to copies of documents, even though the originals of those documents are not in the possession, custody, or control of AXM, every copy of a document

which contains handwritten or other notations or which otherwise does not duplicate the original or any other copy, and all attachments to any documents.

GENERAL INSTRUCTIONS

The following General Instructions apply to each of the RFIs by SPS:

1. Please provide all narrative responses in hard copy, on separate pages for each response, with the question restated at the top of the page. Where possible, please also provide responses via e-mail including all exhibits that are electronically available.
2. For each responsive answer, please identify the individual(s) responsible for its preparation, and the witness sponsoring the answer provided.
3. If a data request can be answered in whole or in part by reference to the response to a preceding or subsequent data request, including data requests of Commission Staff and other parties, so indicate. Specify the preceding or subsequent data request by participant or party and by number, and state whether it is claimed that the response to the preceding or subsequent data request is a full response to the instant data request. If not, furnish the balance of the response needed to complete a full reply.
4. In the event any document requested in this request is unavailable, describe in detail the reasons the document is unavailable.
5. When an RFI requests copies of previously filed testimony, please provide either: (a) an electronic or paper copy of the testimony itself; or (b) sufficient information for SPS to retrieve the testimony from a publicly available source, including: (i) the jurisdiction in which the testimony was filed; (ii) the docket number of the proceeding in which the testimony was filed; (iii) the date the testimony was filed; and (iv) if available, an electronic link to the testimony itself, rather than just a link to the jurisdiction's website.

6. When producing documents pursuant to these RFIs, designate on the document or group of documents the RFI(s) in response to which the document(s) are produced.
