**ORDER NO. 6
GRANTING EXTENSION**

This Order addresses River Acres Water Supply Corporation's request, filed on March 11, 2020, for an extension of the deadline to supplement its application. River Acres indicated it needs more time to come to an agreement with the City of Corpus Christi to allow it to provide water service in the portion of the requested service area that overlaps Corpus Christi's municipal boundaries. River Acres indicated it contacted, and did not receive any objection from, Commission Staff regarding the requested extension.

The administrative law judge grants the extension request. On or before April 13, 2020, River Acres must supplement its application to cure the deficiencies described in Elisabeth English's September 19, 2019 memorandum. On or before May 13, 2020, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 12th day of March 2020.
