WATER SUPPLY CORPORATION TO	§	
AMEND ITS WATER CERTIFICATE	§	OF TEXAS
OF CONVENIENCE AND NECESSITY	§	
IN NUECES COUNTY	§	

**ORDER NO. 4
FINDING APPLICATION INSUFFICIENT,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses the administrative completeness of the application filed on August 12, 2019, by River Acres Water Supply Corporation to amend a water certificate of convenience and necessity in Nueces County.

Commission Staff continues to recommend the application be found administratively incomplete and insufficient for further review. The administrative law judge finds the application is administratively incomplete and insufficient for further review in accordance with 16 Texas Administrative Code (TAC) § 24.8(b).

Under 16 TAC § 24.8(d), the Commission does not consider an application filed until it finds the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before December 13, 2019, the applicant must supplement the application to cure the deficiencies described in Elisabeth English's September 19, 2019 memorandum. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

On or before January 13, 2020, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 20th day of November 2019.
