DOCKET NO. 49863

PETITION OF ALAMO MISSION LLC	§	PUBLIC UTILITY COMMISSION
TO AMEND ROCKETT SPECIAL	§	
UTILITY DISTRICT'S WATER	§	OF TEXAS
CERTIFICATE OF CONVENIENCE	§	
AND NECESSITY IN ELLIS COUNTY	§	
BY EXPEDITED RELEASE	§	

**ORDER NO. 7
ABATING PROCEEDING**

This Order addresses the processing of the petition of Alamo Mission LLC to amend Rockett Special Utility District's water certificate of convenience and necessity in Ellis County by expedited release. An issue raised in this case pertaining to possible federal preemption under 7 U.S.C. § 1926(b) has recently become the subject of federal court litigation between the parties. Consistent with the discussion of the Commissioners at the November 14, 2019 open meeting concerning Docket No. 48801, an expedited release petition involving the same federal preemption issue, the administrative law judge finds that the processing of this case should be abated due to the pendency of the federal litigation.

Accordingly, the processing of this proceeding is abated. On or before May 15, 2020, Commission Staff must file a status report concerning the status of the litigation.

Signed at Austin, Texas the 15th day of November 2019.

PUBLIC UTILITY COMMISSION OF TEXAS

**STEVEN LEARY
ADMINISTRATIVE LAW JUDGE**
