RE: **Open Meeting of January 14, 2021**  
**Docket No. 49863** – *Petition of Alamo Mission LLC to Amend Rockett Special Utility District's Water Certificate of Convenience and Necessity in Ellis County by Expedited Release*

DATE: January 8, 2021

Having reviewed Rockett Special Utility District's January 4, 2021 response to the Proposed Order filed on December 22, 2020, I recommend the following correction to the findings of fact:

34. A 12-inch water line owned by the CCN holder runs through the tract of land parallel to the along its southern boundary of the tract of land.

I do not believe any other changes or corrections to the proposed order are warranted.
