**ORDER NO. 5  
DENYING REQUEST TO LIFT ABATEMENT**

This Order addresses the City of Red Oak Industrial Development Corporation's motion to lift abatement filed on November 25, 2019. In Order No. 4 filed on November 15, 2019, the administrative law judge (ALJ) found that the processing of this case should be abated due to the pendency of the federal litigation. On December 5, 2019, Commission Staff filed a response to Red Oak's motion to lift abatement.

The ALJ denies Red Oak's motion to lift abatement. The previously established deadline of May 15, 2020, for Commission Staff to file a status report concerning the status of the litigation remains.

Signed at Austin, Texas the 9<sup>th</sup> day of December 2019.
